- A minimum non-refundable \$300 deposit is required to reserve a space in the course.
- Full tuition is due no later than **one** month prior to the course start date.
- If registrant cancels prior to the course, a non-refundable \$300 will be charged and the balance of the paid tuition will be refunded or transferred to another class.
- Canceling or being absent on the **first day** of the course regardless of reason is considered an automatic cancellation, tuition is forfeited and there is no refund - **no exceptions.**

A 4-day review and integration of **ANIMAL NORMALIZATION THERAPY (ANT)** techniques taught in Intro/Advance, Spinal Mechanics, Extremities, Cranial-Sacral and Fascia.

This class is a review for those who have **COMPLETED** Introduction, Advance, Cranial and Extremities courses with a focus on integrating underlying ANT techniques.

The review will also be a preparation for those interested in ANT certification in the future. Some of the benefits of certification will be online short classes on specific topics, new techniques and case studies presented by ANT members for Patricia's review.

This course will review different topics each day:

- Day 1 - Principles of Osteopathy including vascular and lymph techniques for canines
- Day 2 - Spinal Mechanics and Extremities
- Day 3 - Cranial-Sacral Mechanics
- Day 4 - Fascia/Dura/Fascial Mechanics

Reading material to prepare for the class will be sent to those who have paid in full.
